

Fuzzy's Navel

Instead of having the sweet version of a Fuzzy Navel, this is my homage to Fuzzy Zoeller and his play at this week's Master's Tournament

Makes 1 drink

3oz Absolut Apeach vodka

3oz lime juice, fresh squeezed

2oz Triple Sec

mint leaf, peach slice ~ for garnish

Combine vodka, lime juice and Triple Sec in large shaker filled with crushed ice.

Shake well.

Strain into chilled martini glass and garnish with mint leaf and a peach slice.

Prepare Ahead Tip

Prepare a pitcher full of these tasty libations and keep refrigerated up to 4 hours.
