

# Left Turn Lube Job

This martini will give you a lube job if you're not careful.

Makes 1 Martini

1oz Grand Marnier

1/2oz bourbon ~ I recommend Woodford Reserve

1oz Navan Natural Black Vanilla Cognac

1/4oz Peppermint schnapps

1 mint sprig

1 orange twist

Mix together all ingredients in cocktail shaker filled with crushed ice.

Shake well and strain into chilled martini glass.

Garnish with mint sprig and orange twist.

Prepare Ahead Tip

I don't make these ahead ~ as fast as you make them, they disappear.
