

# Elvis's PB&B Pie

Super easy and so, so good. Keep this one in the freezer as it doesn't freeze solid.

Makes 1 pie

1 deep dish pie crust ~ graham cracker, oreo or your favorite

8oz cream cheese, softened

1/2c peanut butter

1/2c condensed milk

3/4c confectioner's sugar

10oz Cool Whip, more for garnish

6 bananas, peeled, diced

Crushed salted peanuts, shaved chocolate, for garnish

In the bowl of an electric mixer fitted with the paddle attachment, cream the cream cheese, peanut butter and condensed milk until smooth. Add confectioner's sugar and bananas. Mix well.

Using a large rubber spatula, fold in 3c Cool Whip. Pour mixture into pie shell.

Decorate with additional Cool Whip, salted peanuts and shaved chocolate. Freeze for at least 4 hours before cutting.

Prepare Ahead Tip
