

Strawberries Romanoff

Serves 8

1 pint vanilla ice cream, softened

1 pint sour cream

3T brandy

3T Grand Marnier

8oz Baker's semi~sweet chocolate, chopped

1 pound strawberries, washed, hulled

In a large bowl, combine softened ice cream and sour cream, mix well. Add the brandy and Grand Marnier and mix until well combined. Refrigerate until ice cream has completely melted and mixture is sauce consistency, about 30 minutes.

Place chocolate in glass bowl and microwave on high for 2 minutes, stirring every 30 seconds. Stir until chocolate is melted and smooth.

Pour the ice cream mixture over strawberries. Drizzle with chocolate and serve.

Prepare Ahead Tip

This is so good when the warm chocolate and cold ice cream mix together that I wouldn't make it ahead.
