

Fantastic Four Layer Trifle

Serves 8

1 angel food cake

1 ~ 4oz package instant chocolate pudding

1 ~ 4oz package instant vanilla pudding

4c milk, divided use

1 pound strawberries ~ or your fruit of choice: raspberries, blueberries, blackberries

Break up cake into large pieces and fill the bottom of a round, tall glass serving bowl.

Make each instant pudding according to box directions. Top cake with a layer of each pudding. Try to keep very distinct separate layers. Top with fresh, whole fruit (do not slice fruit as it will bleed into the pudding).

Refrigerate at least 2 hours or until ready to serve.

Prepare Ahead Tip

Make up to 48 hours ahead. Store, covered, in refrigerator.
