

Jersey~Style Tuna Melt

This is a great winter night meal with a bowl of tomato soup

Makes 4

2 ~ 6oz cans tuna in oil, drained	1t dried parsley	4 slices tomato
1/4c Ranch dressing	1t dried dill	8 slices mozzarella cheese
1/4c celery, finely chopped	1t white balsamic vinegar	Old Bay seasoning, for garnish
3T onion, finely chopped	4 slices sourdough bread	

Preheat broiler

Mix medium bowl, mix together tuna, Ranch dressing, celery, onion, parsley, dill and vinegar. Season, to taste, with salt and pepper.

Place bread on baking sheet and broil about 1 minute or until lightly toasted. Remove from oven and top with tuna. Spread tuna all the way to the edges of the bread and even out so it is not "mounded" in the middle of the bread. Top with a slice of tomato. Cover tomato with both slices of mozzarella cheese, overlapping and taking cheese to all 4 edges of the bread. Garnish with Old Bay seasoning.

Broil 1~2 minutes or until cheese is melted and tuna is hot.
